Jeffrey S. Klein, M.D.

Dr. Klein is the A. Bradley Soule and John P. Tampas Green and Gold Professor of Radiology at the University of Vermont College of Medicine. A renowned expert in lung cancer staging and detection, Dr. Klein has served as editor of RadioGraphics since 2011.

After receiving his bachelor's degree from Brooklyn College, Dr. Klein earned his medical degree at the State University of New York Health Downstate Medical
Dr. Klein was part of an expert panel convened by the U.S. Department of Justice regarding the Radiation Exposure Compensation Act of 1990, a group that developed a protocol for high-resolution CT examinations of Navajo uranium miners.

From 2001 to 2005, Dr. Klein represented Vermont on the American College of Chest Physicians Council of Governors, and from 2002-2010, he was a member of the Data Safety and Monitoring Board for the Lung Cancer Screening Trial of the National Cancer Institute. He was elected to membership in the Fleischner Society for Thoracic Imaging and Diagnosis in 2011.

In addition to his tenure as RadioGraphics editor, Dr. Klein is a member of the RSNA Scientific Program, Refresher Course and Education Exhibits committees and the Publications Council. He also serves on the RSNA Research & Education Foundation Grant Program Committee and the RSNA Digital Roadmap Content Committee.
